November 13, 2007

Dear Homeowner,

In recent months there has been increasing amounts of graffiti that has appeared at Estrella Village Manor. The Graffiti Busters have been notified of the graffiti on 75th Avenue and Broadway. It will take them approximately ten days from the time the graffiti problem has been reported to resolve the problem. Graffiti Busters will only paint over graffiti that face the main city streets. They will not paint over graffiti inside the complex.

If your home or wall or gate has been hit with graffiti please paint over it as soon as possible. The Homeowners' Association will paint over the graffiti in the common area. Your Board of Directors and a few of the homeowners have been taking their personal time and some of their personal finances to paint over the graffiti in the common area. Graffiti Busters will furnish the paint and rollers free to the Association to help. Your community can use your help with the graffiti problem. If you would like to volunteer some of your time and services, please call 602-248-4466 Ext. 109. And we will put your name on a list of volunteers.

There are many children in your community and it would help if the parents would keep a close eye on their children for their safety to help keep the damage to the trees and grass to a minimum.

Sincerely,

Estrella Village Manor
Board of Directors
