Special Announcement: Neighborhood Graffiti-Free
April 1, 2006**

Helping keep Phoenix neighborhoods graffiti-free

All home or property owners who have been the victim of graffiti should make Police reports by calling Crime Stop 602-262-6151 or if the graffiti is in progress by calling 911 each and every time you are a victim of graffiti. By doing this police detectives will know when a particular neighborhood is heavily hit. It is our desire to use these reports to take a more pro-active approach to the graffiti problem.
